

POPCORN SALE FAQs

Do we need to pay for Show & Sell order up front?

No. All money is due at the end of sale. "Buying on credit" but with no interest charged.

How much popcorn can we order for Show & Sell?

As much as you think you'll sell. BUT keep in mind there are no returns, so if you order it, you will have to pay for it by the end of the sale. If you need help figuring out how much to order, contact Leah and she can help you.

What if I have excess popcorn?

Use extra Show & Sell popcorn to fill Take Orders. Then, reach out to Leah and let her know what you have excess of, and we will ask around to see if any unit needs more of a product you have excess of.

What if I need more popcorn?

Depending on what point of the sale we are at, we may be able to place an additional order with Camp Masters. If not, let Leah know and our staff can try to connect with a unit that may have excess of what you're looking for.

Do online orders count towards prize choices and/ or commission?

Yes!!!! Online sales count towards a scout's prize amount, and your unit will receive the same commission percentage from online sales as in person/ take order.

How do credit card payments affect our bill/ commission?

Because credit card payments go directly to Camp Masters, they are directly credited to your balance, lowering the amount you owe council at the end of sale.

If your online/ credit card sales exceeds the final amount owed to council, we will refund the overage to your unit account.
