“On my honor I will do my best

Hello Scouters and supporters:

**No child left indoors!
Reconnecting young people with the outdoors!**

Every day, the headlines remind us of the challenges facing our children—drugs, crime, bullying, endless hours on screens, and the overwhelming pressures of social media. It has never been harder to grow up in today’s world.

But there is hope.

For more than a century, **Scouting America, Pine Tree Council** (formerly the Boy Scouts of America) has helped young people ages 5 to 21 build character, leadership, and resilience through outdoor adventure and hands-on life skills. Today, Scouting is more vital than ever, offering children the chance to step away from screens and into experiences that transform lives.

Here in Maine, the **Pine Tree Council** is rising to meet this challenge - providing safe, positive, and life-shaping opportunities for youth and their families. But we cannot do it alone.

With your support, we can ensure more young people experience the confidence, friendship, and character development that only Scouting provides. Together, we can give our children what they need most: **a path of purpose, leadership, and hope.**

We will focus on growing Scouting and reengaging with our communities as we focus on delivering the Scouting program to more youth than ever before. During our Centennial Celebration of Camp Hinds, we look to relaunch our Camping programs to continue to support our Scouting families and the community as we have for the last 100 years at Camp Hinds and the 10 Counties in Maine we have the privilege of serving.

Yours in Scouting,

Scott Valcourt, PhD, Council President
Susan Dexter, Council Commissioner
Gary Savignano, Scout Executive

#207Scouts Camping information

For Pine Tree Council Scouts, camping is a year-round experience! Our Cub Scouts and Scouts BSA members enjoyed a great year of camping at Camps Hinds and Camp Bomazeen, our year-round Scout camps, located on Panther Pond in Raymond & Great Pond in Belgrade. Our camping and properties committees worked tirelessly to provide a mountain top experience for our Packs, Troops, Ships, Posts, and Crews. Our volunteers provided countless hours of during work weekends. They delivered a mountain top experience!

Highlights

- The Pine Tree Council offered for separate Cub Scout Camping experiences.
- Pine Tree Council offered four full weeks of residential Scout camping opportunities.
- Our camp received the Scouting America National Accreditation Recognition, for running a top-quality & safe camp.

and to obey
the Scout Law.

#207Scouts Volunteering Opportunities

One of the most amazing results of the Scouting program is how its values lead to greater volunteerism, civic participation and community service among its participants later in life. If you want to make a difference for future generations, you can't do better than helping us run our program and support activities that encourage kids to do their best, respect our natural resources and serve other people.

Scouting needs all kinds of volunteer help to support the program, working directly with our youth members but also in ways that don't involve actively leading a group of Scouts. It doesn't matter if you were a Scout growing up, either.

There are many committees for all skills, knowledge & time constraints. Come join the thousands of volunteers that help making #207Scouts happen! Visit www.pinetreescouting.org or call 207-517-6196. Many additional opportunities as well.
