Dear Scouting Friends,

We are thrilled to share some exciting news! The Pine Tree Council, Scouting America, is proud to announce the **Maine Shooting Sports Experience**, to be held on **September 3rd at Camp William Hinds in Raymond**.

Scouting continues to be the premier youth program dedicated to preparing boys and girls for leadership roles and helping them develop into engaged, responsible adults. Today, more than ever, we need your support to help bring Scouting back to pre-pandemic levels and ensure that all youth — regardless of gender or orientation — have the opportunity to benefit from our programs. As you can see at ptcscouting.org, Scouting is truly open to all.

Studies show that Scouts grow into active community members and successful leaders. Here in Maine, we are making strong progress in reconnecting our youth with outdoor adventures and year-round activities. However, there is still much work to do — and that's where you come in.

The proceeds from this event will directly benefit the Pine Tree Council, Scouting America, supporting more than 2,000 young people across 10 counties and 140 Scouting units. Your participation helps build citizenship, character, and leadership skills in our youth — the leaders of tomorrow.

Please find the enclosed registration form with all event details. We encourage you to sign up early and join us for a fun and meaningful day supporting Scouting in Maine.

If you have any questions or would like additional information, please do not hesitate to reach out to either of us directly. We look forward to seeing you on September 3rd!

Yours in Scouting,

Jeffrey Messer
